Our Goal: Children and youth, regardless of background, are on a trajectory of lifelong success

3,000+

Learning Grove serves more than 3,000 children, students and families through early childhood, family and school age programs

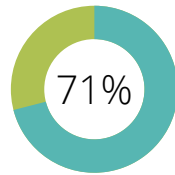

Beginning at birth, Learning Grove helps children and youth foster a love of learning and curiosity.

Our early childhood and school age programs emphasize critical thinking, problem solving and social emotional development. Children and students learn to build resiliency and are prepared for transitions throughout their academic journeys.

Early Childhood & School Age Outcomes

70%

of children, students and families are low-income

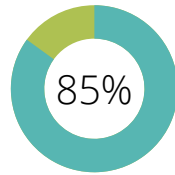

71% of preschoolers are on track in school readiness skills

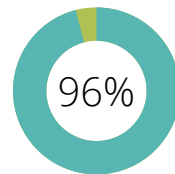

Note: 60% of children in Ohio and 51% of children in Kentucky are ready for kindergarten statewide

19

Before & After School Programs

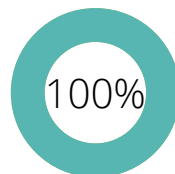

85% of children 0-5 are developmentally on track in social-emotional skills like attachment, initiative and self-regulation

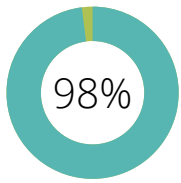

96% of school age children are on track in social emotional development

1,500+

NaviGo Reaches more than 1,500 students

100% of families agree they can name one person in LG early childhood programs they genuinely trust to share concerns about their child

98% of families agree they feel genuinely respected at Learning Grove

97% of families in our School Age programs would recommend our services to family or friends

Through NaviGo students learn about their skills and aptitudes, receive coaching, and have work-based learning experiences that help them create individual plans for their future.

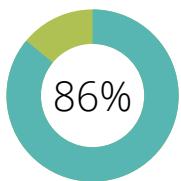

NaviGo College & Career Readiness Outcomes

22,000
